

Dys-

When you scan the QR code on the right it will take you to an audio file that we recorded and put on a wikispace defining the prefix dys.

Counter-

Scan this code to get a definition of the prefix “counter” Because a lot of text was put in this QR code, notice how “full” it is—it may take longer to scan. The text that is returned can be copied and pasted.

Definition (*you can use this when reading into Dragon Dictation*)

Inter- is a prefix that **means between**.
International means **between** nations.
Interstate means **between** states.

The QR Code on the right, is a YouTube video of an app with video definitions called VocabAhead—there is a free app in the app store).

Inter-

Antebellum

Make sure you press the “speaker” icon once you navigate to the page to hear the audio file. Also, scroll down the page to read the comments on why people were looking up the word, etc. Students may find this interesting and it will help their understanding of the word.
